

Emergency Relief for Gaza & Sudan – every act of kindness matters

-Thousands of families in Gaza and Sudan need urgent help. Together, we can make a difference.

Two crises. One shared humanity.

Families in Gaza and Sudan are struggling to survive. Food, clean water, and safety are out of reach for millions. Through our local partners, Nordisk Hjälp is delivering food parcels, medicine, and essential supplies.

Gaza: Families without safety

Thousands remain displaced and in urgent need. Our teams provide food parcels, tents, and hygiene kits to children and families caught in the crisis.

In 2024, Nordisk Hjälp reached 672,770 people in Gaza.

A food parcel (**350 SEK**) can feed a family for several days.

Sudan: A forgotten crisis

Sudan faces one of the world's most severe humanitarian emergencies, with millions displaced and struggling for food, water, and medical care.

Nordisk Hjälp is responding. Aid distributions are underway with local partners, but needs keep growing.

Let us show the people of Sudan that they are not forgotten.

TOGETHER, WE CAN DO MORE

Your compassion fuels our work. Every donation, message, and act of solidarity helps us reach more people in need. Thank you for standing with us.

- Nordisk Hjälp
